

Standard Gigabit PoE Injector 90W

Model: HM-GPOE90W

Specifications:

Power input: AC100V-240V 50/60Hz
 POE output: DC52V2.88A 90W
 Network speed: 10/100/1000Mbps
 Network transmission: 1/2, 3/6, 4/5, 7/8
 POE power supply: 1/2, 4/5 (+), 3/6, 7/8 (-)
 POE protocol: IEEE802.3af/at/bt
 Interface: RJ45 Appearance
 Material: Metal
 Product weight: 0.8KG
 Packaging size: 220x125x105mm

Features:

High POE power: up to 90W
 Transmission: 1 Gigabit POE data input port, 1 Gigabit Ethernet output port.
 Protection: Overload protection, short-circuit protection
 Convenient use: Plug and play
 Performance: Super speed and efficient data transmission.
 Mounting method: Wall mount
 Indicator LED: The LED indicator light display status.
 More: Strong compatibility, high stability.
